## HAY-PANCOFF TREATY

Between the U.S. and Gr. Britain  
represented by John Hay and Lord  
Pancroft respectively. Signed  
Nov 18. Ratified by U.S. Senate Dec. 16, 1901  
Abrogated the Clayton-Bulwer Treaty.  
Assured to the U.S. sole control of and  
Isthmian Canal and sole right of  
maintaining its neutrality. The U.S.  
was to adopt practically the same rule

regarding equal rights of all nations  
in navigation of the canal as those  
governing navigation of the SUEZ  
canal. No change in sovereignty of  
the territory covered by canal to allow  
Principle of nationality now equal rights  
of all nations to enjoy benefits of the  
canal.
